JANUARY 2023- JUNE 2023

WORK EXPERIENCE

UX Design Intern @ Integra Magna

DEC 2023 - MAY 2024

- Conducted user research and analyzed data to identify design opportunities and inform design decisions
- Collaborated with cross-functional teams to create wireframes, prototypes, and high-fidelity mockups
- Facilitated design reviews and user testing sessions to gather feedback and improve design solutions

Real life Project - Integra Magna website project

DEC 2023 - MAY 2024

- Successfully designed and launched the official website for Integra Magna.
- Focused on creating a user-centric design with clear navigation and minimalistic aesthetics.
- Collaborated with developers to ensure that designs were accurately implemented and met accessibility standards.
- Conducted accessibility audits to ensure the website was inclusive for all users.
- Received positive feedback from stakeholders for the website's design and functionality.

Real life Project - Neelam Foresteria website project

DEC 2023 - MAY 2024

- Designed the website for Neelam Foresteria, enhancing user experience and visual appeal.
- Conducted user research and developed wireframes and prototypes.
- Collaborated with stakeholders to ensure the design met project goals and brand standards.
- Created wireframes, prototypes, and visual designs.
- Successfully launched the Neelam Foresteria website, resulting in a visually appealing and user-friendly platform that received positive user feedback.
